ABOUT
THE EVENT

2024 marks the 40th Anniversary of Project Safeguard. Since 1984, Project Safeguard has provided legal advocacy and attorney services to individuals impacted by gender-based violence.

We invite you or your company to join us on Saturday, October 19, 2024 at The Curtis Hotel in Denver for a 40th anniversary celebration and inaugural fundraising event.

The event will feature a brief program recognizing Project Safeguard's history, a paddle raiser, silent auction, and entertainment. All proceeds from the evening will directly support Project Safeguard.

Project Safeguard is a non-profit organization committed to helping end gender-based violence through safety planning, legal advocacy, direct court support and attorney services to victims of domestic violence, sexual assault, and stalking.
