ABOUT THE EVENT

Since 1984, **Project Safeguard** has stood alongside survivors of gender-based violence, providing critical legal advocacy and attorney services to individuals impacted by domestic violence, sexual assault, and stalking.

We invite you and your organization to be part of something truly powerful and profoundly meaningful. Join us on **Saturday, October 3, 2026**, for **an elegant evening of impact and inspiration** as we celebrate more than four decades of unwavering service, raise critical funds, and honor the strength and resilience of the survivors we support.

Event Highlights: 6:00pm - 9:30pm | Cocktail Attire | Masks Encouraged

6:00pm | Step into a stunning masquerade setting and begin the evening with live music, cocktails, heavy appetizers, and an extensive silent auction.

7:30pm | Hear powerful stories from survivors, try your luck with exciting games, and make a meaningful impact during our paddle raiser and live auction.

8:45pm | Event wrap-up and auction checkout.

All proceeds directly support Project Safeguard's mission to end gender-based violence. Together, we can turn awareness into action and compassion into lasting change.

Reserve your spot, bring your team, and be part of a night that truly changes lives.
